Restaurants and Gift Shops

Shops Outside Ticket Counter

Farm restaurant ITADAKIMASU

Enjoy a well-balanced meal to fit your physical condition and how you feel that day by selecting a main course made with ingredients found at the foot of Mt. Fuji, and about forty kinds of eclectic Japanese-Western buffet-type dishes.

Natura Vita

The homemade gelato made with plenty of fresh Makaino Farm raw milk changes according to season with usually over seven different flavors available.

Makiba no Kitchen

Offers light meals such as crepes. Located at Makibakan.

Milk House

A great place for fresh milk and coffee.

Barbeque Terrace

Here you can enjoy Makaino Farm's traditional mutton barbeque on a liberating garden terrace. Also served here are pork, beef, sausages, and more.

Ousamano curry

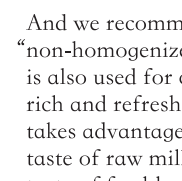

curry and fresh baked nan restaurant.

Makibakan Shop

We have souvenirs unique to the ranch. The most popular is "Mt. Fuji cheesecake". It is a rich baked cheesecake using carefully selected ingredients and homemade non-homogenized milk.

And we recommend "non-homogenized milk", which is also used for cheesecake. A rich and refreshing milk that takes advantage of the original taste of raw milk. Please try the taste of freshly squeezed milk.

We also sell homemade dairy products, maple bread using natural yeast, bacon and sausages, and locally harvested vegetables. How about as a souvenir for your trip?
